

REMARKS

By this amendment after allowance, the specification is amended to correct inadvertent errors in the Specification at pages 25 and 26. The original specification referred to SEQ ID Nos. which were inadvertently identified only with an underscore " _ ". Applicants submit this amendment to specify the SEQ ID NOS that are referred to in the context of the specification.

Support for this amendment is found at Table 1 spanning pages 23-24 of the Specification, further in light of the amendment filed May 25, 2005. No new matter is added. Entry of the amendment is respectfully requested.

Applicants thank Examiner S. Gudibande for telephone calls to Applicants' representatives James Nolan and Shantanu Basu on June 9 and 10, 2009 respectively, identifying the above-mentioned error in the Specification and the need to correct the same.

Applicants note that no amendments to the previously allowed claims, or drawings or inventorship are filed herewith.

Applicants submit that the amendments filed herewith embody merely the correction of formal matters in the specification and do not change the scope of the previously allowed claims. Therefore, they are within the authority of the examiner for entry.

CONCLUSION

The Examiner is respectfully requested to enter the amendments filed herewith. If it is determined that a telephone conference is necessary, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 18-0580 referencing docket no. 8400-0013. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
